*October 2009*

## Education

### University of Illinois at Urbana-Champaign

*BFA in Graphic Design*

*May 2011*

## Experience

### Ogilvy+Mather

*Designer*

Joined a small team tasked to redesign a global site which would stand as the framework for all sister brands. Smaller projects included updates to existing sites and site refreshes. Also aided with CSS styling and honed in mobile and responsive skills.  
*October 2012 - Present*

### The Royal Order of Experience Design

*Designer*

Designed a wide range of sites, specializing in e-commerce. Other projects included printed brand material, packaging, and CSS styling.  
*June 2011 - October 2012*

### School of Art+Design

*Freelance Designer*

Designed a variety of printed and web materials for the school as needed for conferences and exhibitions.  
*August 2011 - June 2011*

### Ninth Letter

*Senior Designer*

Biannual published and distributed literary and arts journal combining design and written works. Responsibilities included story illustration, typesetting, working in a collaborative setting and leading other designers.  
*Spring 2010 / Fall 2010*

### Someoddpilot

*Intern*

Worked on client projects under the art direction of owner Chris Eichenseer ranging from band album covers to corporate websites. Other experiences included: photoshoots, participating in strategy meetings, office electronics upkeep, and Public Works 2.  
*Summer 2010*

### Public Works 2

*Intern*

Public Works is an annual gallery show that blurs the line between art and design hosted by someoddpilot. Responsibilities included: marketing, social media, prep and setup of gallery space, working with gallery owners and featured designers, and setting up speaker events.  
*August 2010*

### Buzz Magazine

*Designer*

Designed spreads and covers for a weekly local arts and culture magazine. Worked along with photographers, writers, and editors.  
*August 2009 - May 2010*
